We would like to know what portion of the memorial you view as suitable or unsuitable for further wilderness study? We would also like to know what would you like to see regarding the future of grazing at the memorial? You may also mark up the attached map. Please fill out this response form (fold so the address is on the outside, tape closed) and mail. If you need more space to respond, feel free to enclose additional pages. You may also reply via the Internet at [www.nps.gov/planning/coro/news3/indexnews3.htm](http://www.nps.gov/planning/coro/news3/indexnews3.htm). We would appreciate your response within 30 days.
